FEC MAIL ROOM

March 16, 2001

Mr. Adam Ragan  
999 E. Street, N.W.  
Washington DC, 20463

Dear Adam:

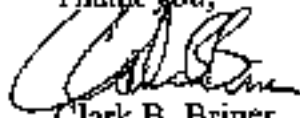

After reviewing the FEC letter that you sent and our FEC report I see where the confusion has occurred. When our computer system prints out the 11ai report, it is not indicated if the name is a Mr. or Mrs. that has contributed. In the future we will list husbands and wives as separate names so that it will be more evident in what we are reporting.

The name highlighted by the letter was that of Governor William and Rita Clements. After reviewing our records, these contributions are within the FEC guidelines and the occupation line can help distinguish the individuals. The "Homemaker" is Rita Clements and the "Rancher & Oil man" is William Clements.

I apologize for the unclear report and this problem has been corrected and will be listed in a clearer manner in the future.

Please call me with any questions or comments at 972/424-9573.

Thank you,
